PROTECT WHAT YOU LOVE

SAFEGUARDING CAYMAN'S NATURAL AND BUILT HERITAGE

The National Trust for the Cayman Islands, a non-profit and non-governmental organization, celebrates a 35-year legacy of protecting Cayman's treasured historic sites and ecologically significant habitats. To date, the National Trust is the custodian of 14 heritage sites and 17 environmental sites spanning all three islands. These sites are protected in perpetuity for our community to enjoy. As we continue to care for our protected sites, require ongoing funding to allow us to maintain and preserve them for the enjoyment of our community.

Give Where It Is Needed. Your sponsorship contributes to our legacy of protecting Cayman's natural and cultural heritage. Your partnership with us can create a lasting positive impact on our islands. Your generous contribution is used to directly support our four major pillars: the environment, our conservation work, vital historic programmes, and public education for the betterment of our community for present and future generations. Moreover, your donation helps us to continue safeguarding special places across our three islands that are beneficial to our community and visitors.

Your support includes:

- Aids in the purchase and protection of wild environments and the flora and fauna which live within; (Ideal for aligning with your company's ESG goals.)
- Enables the careful preservation and ongoing maintenance of iconic historic buildings;
- Facilitates public education of Cayman's rich environment, endemic wildlife, and unique heritage.

Together we can work towards protecting Cayman's unique heritage for everyone and forever. Currently, the National Trust protects 6% of our environment and our goal is 11%. These critical natural habits including mangroves, ancient forests, and other vital areas of land which are key to the survival of our endemic wildlife, supporting biodiversity. Our heritage sites serves great importance acting as a lens to the past. The preservation of historical sites allows our community the ability to reconnect with our history, pass on island traditions, enjoy cultural experiences, and keep memories of the past alive.

The National Trust for the Cayman Islands has been approved as by the Charities Aid Foundation America as a 501(C)(3) partner. For prospective U.S. donors. Donors are able to make tax-effective gifts to CAF America with National Trust for the Cayman Islands as the grant recipient.

Take pride in being a corporate partner of the National Trust, email marketing@nationaltrust.org.ky
